MOVEON STATEMENT ON ROBERTS NOMINATION FOR CHIEF JUSTICE

Statement by Eli Pariser, Executive Director of MoveOn.org Political Action:

The White House's strategy has been to hide Roberts' views, but there's no mistaking that he's a stealth right-wing candidate. We're now seeing the danger that arises from an ideology that opposes an active role for government. America can't afford a Supreme Court Justice - let alone a Chief Justice - with Roberts' record of eroding the rights of workers and turning back the clock on civil rights.
